

**REMARKS**

While reviewing the claims prior to paying the issue fee, the undersigned noticed the phrase "the surface" used in claim 13 and 19. It is clear from the context of the claims that this "surface" is the "side surface" mentioned above and not the "front surface" mentioned above. However, to avoid the possibility of indefiniteness, Applicants herein amend "the surface" in claims 13 and 19 to "the side surface".

This amendment meets the requirements of MPEP 714.16 for entry by the Examiner. It is needed to remove the possibility of indefiniteness in claims 13 and 19. It does not broaden either claim, and thus does not call for an additional search or examination. This amendment was not presented earlier, because the oversight was not noticed earlier but only upon review of the claims before paying the issue fee.

Respectfully submitted,
